Spent today writing grant letter applications to various Foundations and Endowments. Please join us in prayer that they are received favorably. Thanks! :-)

As we look for options to raise much-needed funds for our ministry, I'd like to get your opinion on an option that came across my desk today. Take a look at this website and see if this would be something you'd be interested in. Let me know... Love ya! :)

Please pray as Aaron's presentation for the April 20th & 21st Accessibility Summit in Washington DC is finalized. Please also pray for each person who will attend his workshop and the post-conference round-table (he'll be speaking there too). Glory to God!

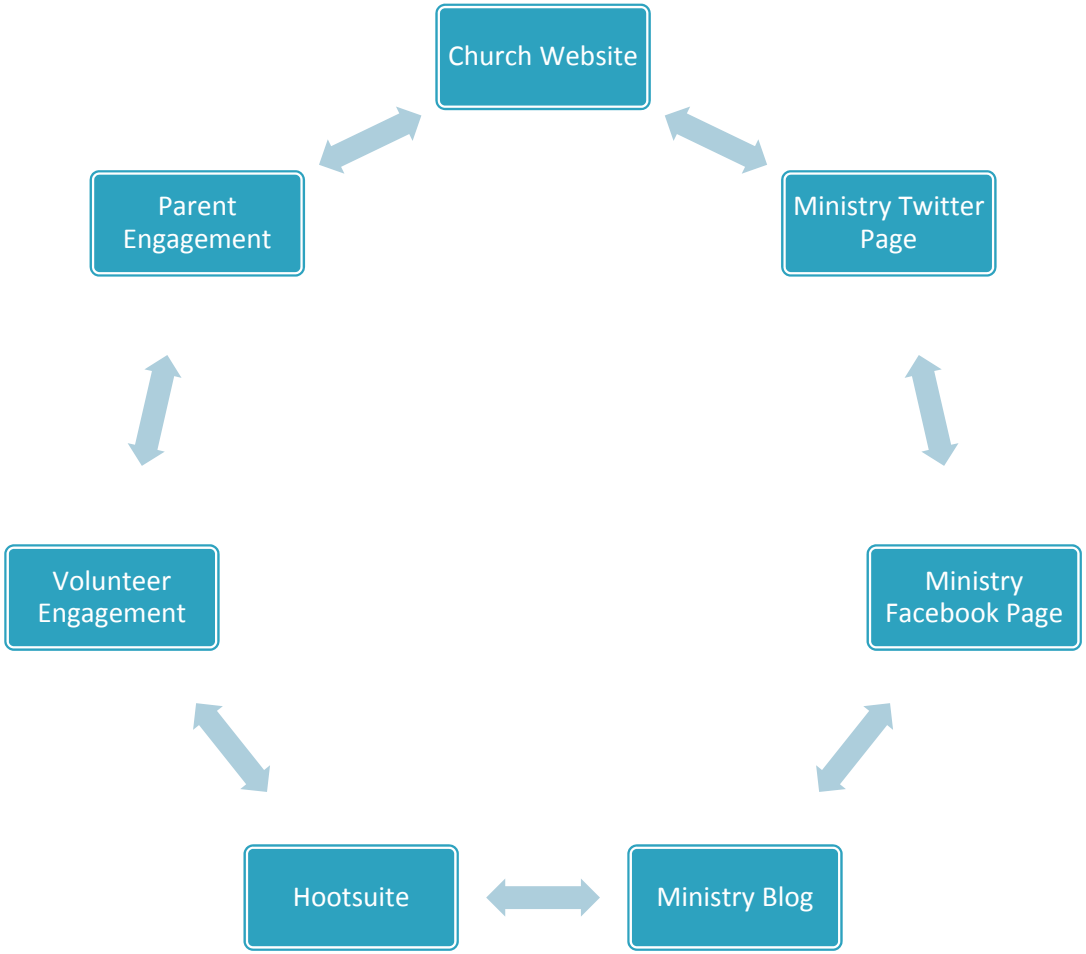
Electronic Networking



Disability Ministry Connection (DMC)

- Basics
  - Face-to-Face Meeting
  - Quarterly or Monthly
  - 2-3 hours
  - DMC coordinator vs. Host Church coordinator

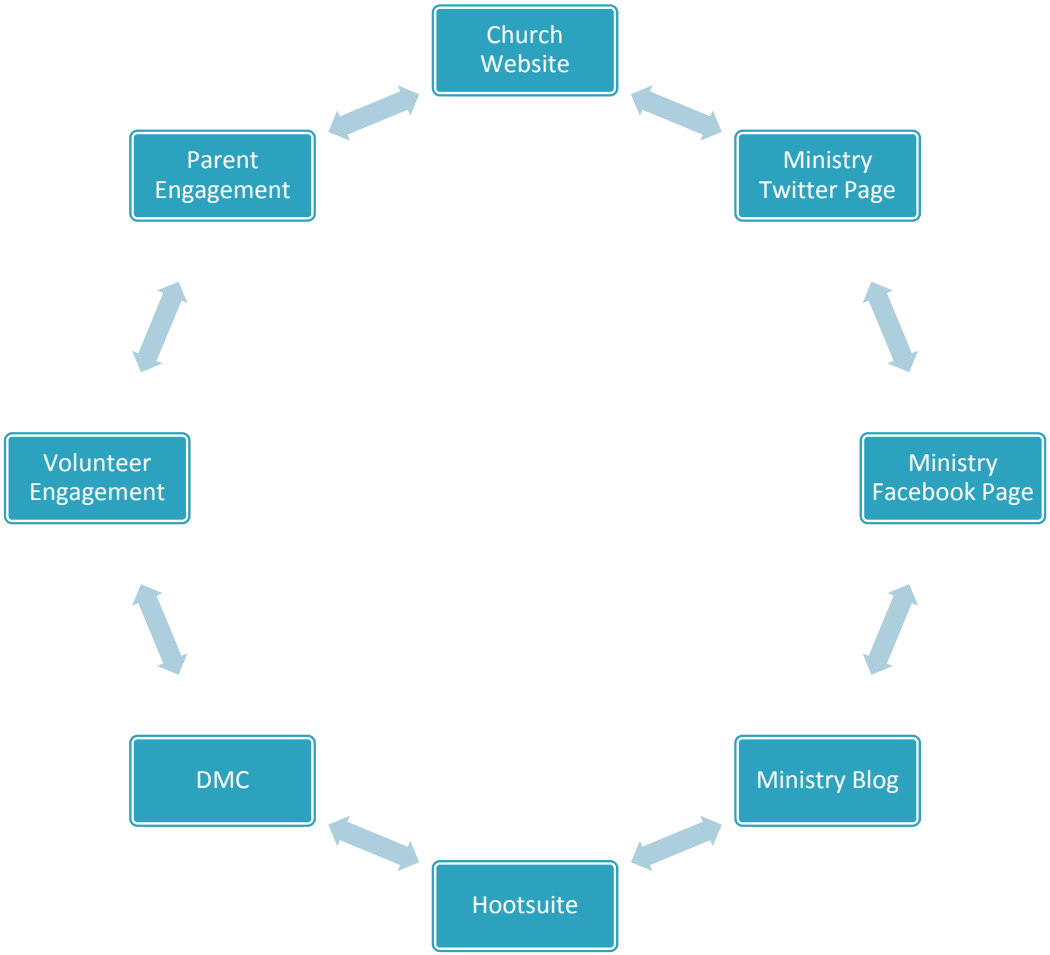
- Host Church
  - Rotates for each meeting
  - Opportunity to “show off” what you do!
  - Building tour if appropriate
  - Give handouts, show examples, share successes AND challenges

DMC

- Example of Agenda (2hr Framework)
  - 10 – 10:30am: Fellowship, snacks
  - 10:30 – 11:15am : Ministry highlight
  - 11:15am – 12pm: Topic Training

- Example Topic Training Ideas
  - “Inclusive Environment”
  - “Understanding Friends With Autism”
  - “Loving Through Aggressive Behavior”
  - “Design For The Margins”

DMC Feedback

- “I love hearing about what everyone else is doing! I love focusing on a particular aspect of ministry and learn how other churches meet those needs.”
  - Danielle T. – Carmel, IN
- “The resources and fellowship are fantastic. This time is such a blessing. I wish we could meet more often!”
  - Dee J. – Indianapolis, IN
- I got some great ideas from this quarter’s DMC. I’m going back to church to implement them now!”
  - Molly M. – Noblesville, IN
- “The DMC has been invaluable to us getting our disability ministry going. Actually being able to see how other churches run their ministries has helped us immensely in developing our policies and procedures as well as avoiding the common pitfalls of start-ups.”
  - Michael F – Kokomo, IN


Overall Networking Plan
